Whangārei Backyard Gardening

Dr. Carol Peters

Charles Buenconsejo

Whakaora Kai

Soil of Cultures

Food Security, Food Sovereignty

"Zero waste, Zero hunger"

In the last year, Whakaora Kai Te Tai Tokerau supplied 727.9K meals.

In uncertain times, Food Rescue collaborates with civil defense to collect and distribute food.

Backyard gardening, however, provides best food resilience.

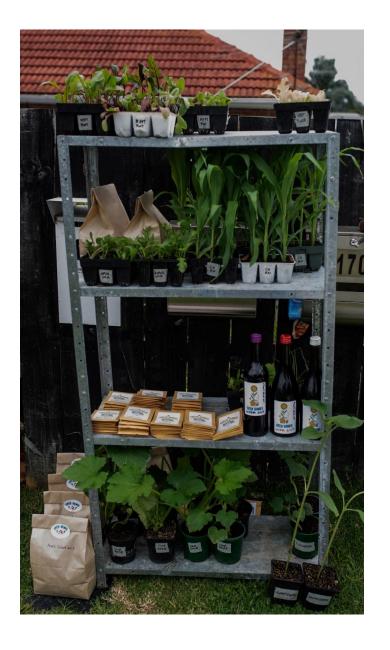

About Soil of Cultures

"Seeds of Resilience Amidst the Covid Lockdown"

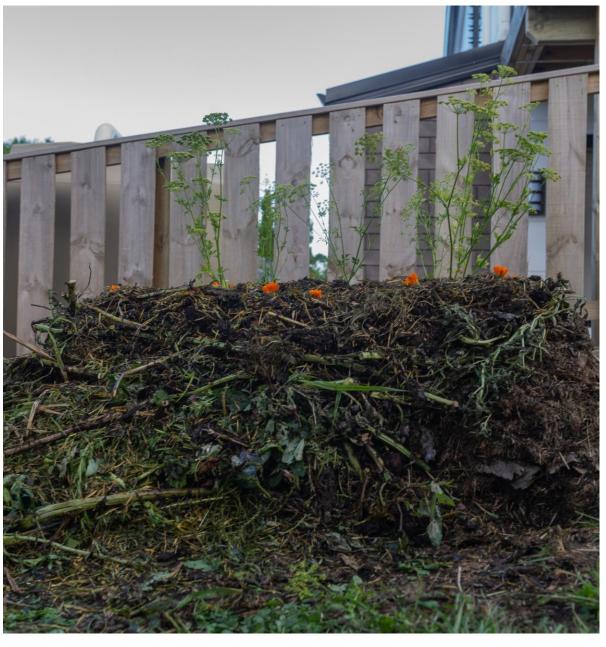

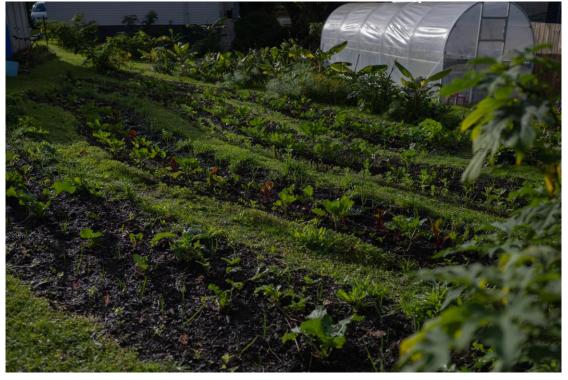

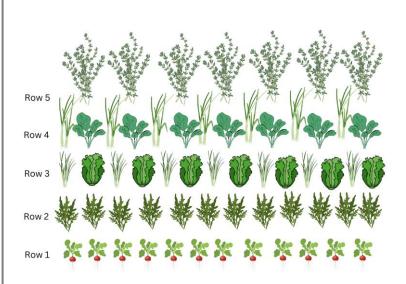

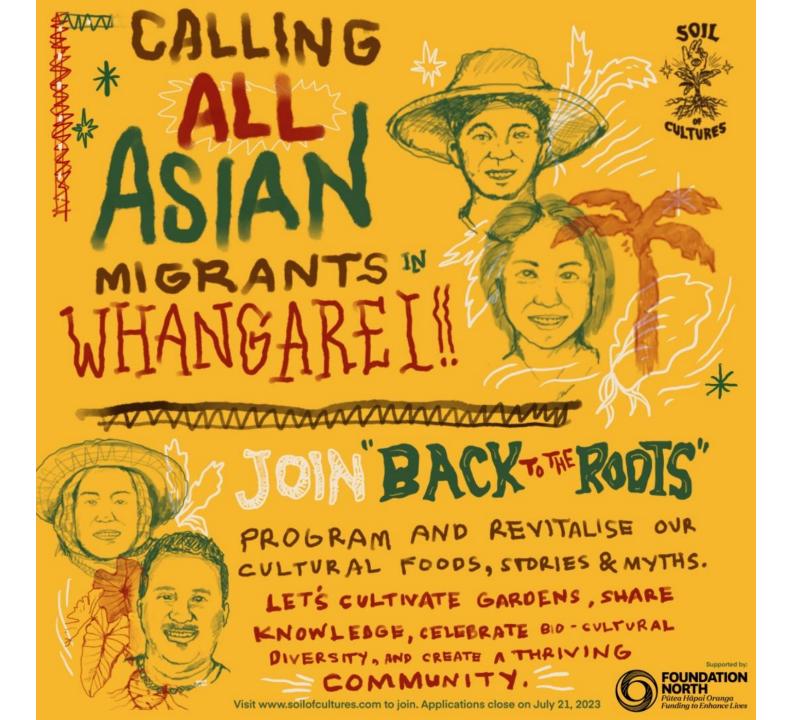

MAUNU COMMUNITY GARDEN

Autumn/Winter 2023

Polycropping Succession plan

Download the autumn/winter polycropping succession plans.

Spring/Summer succession plans will be available soon.

We need volunteers at Food Rescue.
